PRESS RELEASE

NOTICE TO ALL STUDENTS:

POSTPONEMENT OF OPENING DATE FOR SECOND SEMESTER

All students who were scheduled to open for the second semester on Monday, 19th October 2026, are hereby informed that the opening date has been postponed to Monday, 9th November 2026.

The postponement has been necessitated by the College's need to integrate its systems with its Bank to improve the efficiency of student fee payments and related administrative processes. The extension will also provide students and their guardians or sponsors with adequate time to prepare for the revised tuition fees applicable to the second semester.

All students are therefore advised to take note of the revised opening date and make the necessary arrangements to report to their respective campuses accordingly.

The College regrets any inconvenience this change may cause and appreciates the understanding and cooperation of all students.
