2. **Students who are on holiday** are scheduled to return for a new semester or academic year in November, 2026 shall be required to pay the revised tuition fees upon commencement of their new semester or academic year.

3. New students commencing their studies from November 2026 onwards shall be charged the revised tuition fees applicable to their respective programmes.
4. Students are advised to consult the approved fee schedule or the relevant Campus Registrar for clarification on the tuition fees applicable to their programmes.

All students are therefore advised to take note of the revised fees and make the necessary arrangements to meet their tuition obligations when the new fees become applicable.
